

ENROLLEEZ - ENROLLMENT READER

Quickly Enroll Users with this Compact Desktop Reader

ADD-ON READER ANTENNA

Directly read Kareteq hands-free tags, 125kHz, and Mifare prox card IDs to quickly and accurately enroll users.

CONVENIENT

Compact design fits on any desktop. Standard USB interface provides power and connection to PC. Just place the credential on the reader to capture its ID.

ORGANEEZ SOFTWARE

The Enrolleez is used with a Client PC running Organeez software that is connected to a Kareteq Wander Management network. User enrollment within Organeez automatically prompts for a credential scan eliminating the need to manually type in credential IDs.
